

Sisters and Brothers,

Your general election ballot has already started arriving. We encourage you to use this guide while filling out and returning your ballot by mail. Your Local Union has personally selected these candidates based on their commitment to **support IBEW Local 551 values** such as; Project Labor Agreements (PLA's), Prevailing Wages, and strong Local Union Apprenticeship programs in our district - **Just like our program!**

Our **number one priority** in determining who receives the endorsement of IBEW Local 551 is whether the candidate (or the initiative) will result in **more work for our members** and a higher quality of life for their families.

Every two years, we, as community members, get to remind the elected officials that they are elected by us, the community, and it is not a job for life. **Once in office, they must do the work of the many, not the few.** This is now **our time to speak** with one collective, very loud, unified voice. We will remind them that working Union families are united in our message, united with our strength, and united with one voice. We will remind them when we vote. **We support those that support our values, and we work to remove those that don't.**

Together, as working families, as a Union, we can make this happen when we vote!

If a race or issue is not listed but is on your ballot, it means candidates or advocates for the initiative did not seek or qualify for an endorsement. If you recently moved, changed your name, or want to change your political party, you need to re-register to vote. You should be registered to vote at least 15 days before an election. **Don't delay - do it today!**

You can register to vote online at [IBEWvotes.com](https://www.ibewvotes.com) OR registertovote.ca.gov

In Solidarity,

John McEntagart
Business Manager
